PART G | REPLACEMENT COVERAGE QUESTIONS

Please review and consider the following questions about replacement of existing coverage. Federal law requires that we ask you these questions about Medicaid and other current long term care insurance coverage. Please check "yes" only if the situation addressed in a question applies to you. Your answers to these questions will NOT affect your eligibility for insurance under the Federal Long Term Care Insurance Program. If you answer "yes" to question 2, we will notify your current insurance carrier that you have applied for coverage under this Program. You should not replace any existing medical or health insurance coverage with Federal Long Term Care Insurance. These are different types of insurance that cover different types of care.

1. Medicaid is the state/Federal program that helps pay medical costs for some people with low incomes and limited resources. It is known as Medi-Cal in California. Please note that Medicaid is NOT the same as Medicare.

YES NO **Are you covered under Medicaid? If you answer yes, you may wish to carefully consider whether you really need long term care insurance.**

2. If you currently have a long term care insurance policy or certificate, you should compare its benefits and costs with the benefits and costs of the Federal Long Term Care Insurance Program. It may or may not make sense for you to replace that policy or certificate with coverage under this Program. You should be certain that you are making an informed decision, and certainly do not cancel any long term care insurance you currently have unless/until your coverage under this Program is effective.

YES NO **Are you replacing another long term care insurance policy or certificate currently in force? If yes, please provide the following information:**

Policy # _____ Insurance Company Name _____

Insurance Company Address _____

I agree that if the automatic bank withdrawal isn't honored by my bank, for whatever reason, Long Term Care Partners will have no liability for the payments. I understand that my insurance coverage may be terminated because of non-payment of premiums. I also understand that I will receive notice of such non-payment from Long Term Care Partners before my insurance coverage is terminated.

All of the answers and explanations I've given on this form, including my status as an eligible individual, are true and complete. I understand that the decision to approve my application will be based on my answers and explanations on this form.

I also agree to inform Long Term Care Partners, in writing, if between the date I sign this form and the date my insurance coverage is effective: (1) my health changes in a way that would cause any answer I've given on this application to no longer be correct, or (2) I receive any medical advice or treatment from a physician or other health care practitioner for a condition that would affect an answer to any question on this form.

I understand that the conditions and provisions of my coverage may not be waived, changed or otherwise affected unless in writing by Long Term Care Partners, and that the U.S. Office of Personnel Management must agree to any change affecting benefits and premiums.

Federal/Postal employees: I understand that if my application is approved, I must be actively at work for at least one-half of my regularly scheduled hours on the effective date of my insurance coverage for it to take effect.

Members of the uniformed services: I understand that if my application is approved, I must be on active duty and physically able to perform the duties of my position on the effective date of my insurance coverage for it to take effect.

I understand I have the right to request a copy of this application at any time, but I also understand I will receive one automatically.

NOTE:

Your signature below also confirms the elections you made in Part F, Inflation Protection, Part H, Billing Options, and Part I, Protection Against Unintended Lapse.
