<sup>1</sup> Early retirement is the age, length of service, or combination of age and length of service, requirements at which plan participants may retire and receive all accrued benefits, minus a reduction or penalty.

<sup>2</sup> Includes workers in plans with no minimum service requirements.

<sup>3</sup> Surveyed occupations are classified into wage categories based on the average wage for the occupation, which may include workers with earnings both above and below the threshold. The categories were formed using percentile estimates generated using data from the National Compensation Survey publication, "Employer Costs for Employee Compensation - March 2016."

Note: Dashes indicate that no data were reported or that data do not meet publication criteria. For definitions of major plans, key provisions, and related terms, see the "Glossary of Employee Benefit Terms" at [www.bls.gov/ncs/ebs/glossary20162017.htm](http://www.bls.gov/ncs/ebs/glossary20162017.htm).
