¹ Includes mining and logging, information, and other services (except public administration), not shown separately.

² Includes all series in private service providing and goods producing.

³ Includes mining and logging, construction, and manufacturing.

⁴ Includes all series in private service providing and government.

⁵ Includes trade, transportation, and utilities, information, financial activities, professional and business services, education and health services, leisure and hospitality, and other services (except public administration).

⁶ Mining and logging is combined with construction.

⁷ This series is not published seasonally adjusted because the seasonal component, which is small relative to the trend-cycle and irregular components, cannot be separated with sufficient precision.

^p Preliminary

NOTE: Data are counts of jobs by place of work. State data are currently estimated from 2014 benchmark levels. When more recent benchmark data are introduced with the release of January 2016 estimates, seasonally adjusted data from January 1990 are subject to revision.
